If you need additional help, please contact the Advertising Support Team at <u>advertising@physiciansmutual.com</u> or 877-888-5580.

Welcome to S3!

S3 is our sales, service and support system for all your marketing needs. It is a browser-based ordering system, enabling users to order, manage, and reorder documents and items at our in-house print facility.

Logging In

Initial Login

Go to S3 (<u>S3.physiciansmutual.com</u>) to access the system.

User ID: Agents, Division Managers and Assistant Division Mangers will use NPN Initial password: An email will be generated and sent to your email address on file

All information in the My Account screen is populated from an agent's DMS account. If any of the information is not correct, agent must request changes in DMS first. Agent should contact the DOC to make changes with the Contracting area to update DMS. Anytime a change is made to DMS contact information, it will populate the next day in S3.

Please note:

- Work phone and fax number must be the office numbers.
- Address in the "My Contact Information" section must be the Division Office address.

Reset Password During Initial Setup

At this time you also need to set a new password. Click My Account.

Click the Change Password Link.

My Account

The My Account section allows you to manage your shipping addresses and contact information. The contact information shown will be used to populate all variable data catalog items.

As a reminder: My Contact Information is populated from an agent's DMS account. If changes are needed in the system, agent must request update in DMS first. The My Contact Information address should always stay as the Division Office Address.

Session Activity

You are automatically logged out of S3 if there is no activity for 60 minutes.

Using Online Help

The Help link at the top of each page opens online help in a new tab of your browser. The online help window shows a topic that explains the current page (such as the Ordering Home page or the Cart page). You can click toolbar buttons at the top of the Help window to navigate to other topics, search for information, and print topics.

Please Note: Some items shown in the help link may not be available in our site settings. Please use the Getting Started Tips for more specific help related to our site.

Search for Items

You can search for items two ways.

Search by Browsing Folders

Use the dropdown menu to select a section to browse.

You will then see a folder menu to select from. You can see the number of items within each folder.

If you use the search box within the folder menu (Example: Medicare Supplement – Appointment Materials) it will only find items in that folder. You need to click back to Catalog to search all sections.

Each form has instructions to follow regarding the mailing list preparations. Also there is a sample mailing list that can be downloaded. The list of names must be formatted as a CSV file before uploading.

Click the CSV tab. Do not use the interactive tab!

Follow the instructions on screen.

Important: The quantity in your cart must match your number of records in the uploaded CSV file. The list below, for example, has 100 records.

Forms with a Customer Mailing List

Forms can also be mailed to a customer list. Find the item you want to mail to your customer on S3. You do not need to add the item to you cart at this time instead, agent needs to send email to:

S3customerorder@physiciansmutual.com

Agent needs to specify:

- NPN number
- PMA number to mail
- type of customers
- whether to merge households
- First Class or Standard postage
- Agent Photo: Yes or No

Advertising Support Team will receive the mailing list from the Agency Business Analysis area. The Advertising Support Team will start the order in S3 for the agent and notify the agent when the order is available for review.

Agent can then log into S3 and view order history. An existing order will be saved and the agent will click modify to review the order and click Place Order in the cart screen.
